JAPAN Rising Startups

Rising rapidly from far east.

#Japan4YFN

The first-ever Japan Pavilion at 4YFN.

Shall cause a big wave eventually, even small at the beginning. All Japan startups, hoist your sails! Catch the wind! Voyage on the ocean even red!

We are developing a new OS for smartphones. This advantage is that people can keep using this smartphone with our OS longer than Android. We've already found a production company. We are ready to tap into a huge market partnering with one of the largest trading companies in Japan. Missing piece is distribution partner.

MAMORIO is the world's smallest bluetooth tag which protects your valuables. If you forget or lose your item which is connected to your MAMORIO, you will be alerted. Other MAMORIO users and MAMORIO spots at train station can also locate your MAMORIO when you turn on Cloud Tracking.

N 4.5

Our mission is Security For All. We want to make the internet a safer place and protect your business & your customers.Our easy to implement SaaS-based security solutions will protect your website from bots, spam, humans and more. Our security lineup includes: Puzzle & Avatar CAPTCHA, Realtime IP Blacklist, & Riskbase Authentication.

N 4.3

We are providing 'Hyperlink of Things®' which connects physical objects with a variety of online information and services in the real world. People can go online immediately on the spot by simply holding smartphone over the tiny device, without installing apps.

FutuRocket is making things by project basis and had selected and joined IoT. Make Bootcamp, an acceleration program by Sharp corporation. Developing "hackfon", a device to turn an analog phone to a latest smart remote. Achieved first crowdfunding target by Indiegogo

App Ape is a mobile app analytics platform where app publishers can access their competitors' data and key metrics. App Ape has focused on specializing in US and Japan and South Korea markets, and provides high value in usage data such as user demographics and the number of active users in a certain period of time besides store and sales stats.
